Create memories with your loved
ones this holiday season

Dear volunteers and donors,

The holiday season presents an extraordinary opportunity to spread joy to others, especially to those in need. In this 2006 *Holiday Giving Guide*, you will find ways that you, your family and your co-workers can make a difference in the lives of others. However you choose to participate, adding your effort to the work of others makes everyone's lives better.

Be assured that your acts of generosity are sincerely appreciated by the non-profit organizations listed in this guide, as well as the many individuals and families they serve.

The *Holiday Giving Guide* makes "giving back" as easy as possible. The activities, which are arranged alphabetically by agency name, demonstrate the tremendous need for volunteers in our area. When you find an interesting opportunity that fits your schedule, simply call the agency contact to obtain more information. You should contact them as early as possible in the season because these activities will get filled.

Thanks in advance for giving and volunteering this holiday season.

Angela Tilley
Executive Director

.....
Tips for using the 2006 *Holiday Giving Guide*

- Use the indexes on page 3 & 4 to quickly find categories of need and volunteer opportunities.
- Form a group of friends or co-workers to "adopt" a family or an individual.
- Start a collection drive by placing a decorated carton for co-workers and/or customers. List items.
- Take up a collection to purchase gift certificates or vouchers.
- Look for a volunteer opportunity for the whole family, like sorting or delivering food baskets.
